

Motorola i450 Boost Mobile Battery Replacement

This guide provides instructions for removal and replacement of the battery.

Written By: Garrison Stevens

INTRODUCTION

The battery allows the phone to operate without needing to be plugged into a power outlet at all times.

Step 1 — Back Cover

- Place the phone on a flat surface with the front facing down.
- Insert your finger under the gray plastic cover at the bottom end of the phone.
- Lift the cover off the phone.

Step 2 — Battery

- Place your thumb in the notch in the lower left corner of the battery compartment.
- Lift the battery up and away from the phone.
- Remove the battery.

To reassemble your device, follow these instructions in reverse order.
